

MUDMAP TO BOYNEDALE BUSH CAMP

Directions: Turn onto Gladstone-Monto Road west of Calliope, Central Queensland and drive for 26km – watch for signs for the site on the left. Turn left, then drive 1.9km to the camping area.

Details: Boynedale Bush Camp is a basic bush camping facility, providing a composting toilet, fire rings, wheelie bins, picnic tables and shelters. Campers are permitted to stay for up to seven days, and sites are on a “first come – first served” basis. Basic boat access for boats is provided nearby.

Note the following:

1. there is NO potable water or electricity supply - visitors should bring their own water supply.
2. access roads are unsealed and may become slippery or boggy during wet weather.
3. Visitors are discouraged from bringing pets to the area as Lake Awoonga is a wildlife sanctuary. Small dogs may be allowed at the bush camp, but must be kept strictly under control at all times.
